

## Flint Hills Exploration Station Options

Please inform the Education Staff of your three-four preferences and one alternative.

Station	Description	Also available for outreach programs?
Painting with Plants	Use the different parts of plants to paint to create masterpieces grounded in the Flint Hills to take home.	Yes
Furry Friends	With the help of pelts, and skulls, discover mammals found throughout the Flint Hills and experience them through touch.	Yes
Tracks	Learn what a Raccoon, Bobcat, and Red Fox's footprint looks like and create a rubbing to take home.	Yes
The Three Sisters	Explore how working together has advantages by examining The Three Sisters: corn, beans and squash.	No
Pottery Snake	Practice a technique used ages ago by Native Americans to create clay jars.	Yes
Do Your Chores	Wash day is for fetching water, scrubbing clothes on wash boards, hanging them to dry, and ironing with a real iron, the way Ma and Pa used to.	No
Fields to Food	Find out what happens to wheat and corn between the field and your plate! Grind wheat into flour and churn cream into butter.	Yes
Tales with Beads	Use different colors of beads to make patterns and jewelry that tells your unique story. Each color means something different.	Yes
